PARTY APP

-AMISH GARHWAL(1860961)
DHAIRYA JAISWAL(1824902)
NITIN PRINCE REUBEN(1858105)

Introduction

- To provide 1 platform where you can rent every necessary equipment for a house party, Birthday celebration or any function
- To provide customer with an opportunity to collaborate with us which will help them earn money and also keep the unused equipment circulated
- To bring together skilled labor and provide them an interface to contact with customers directly.

Use Cases

- Creating new Users
- Managing Suppliers
- Customers ordering products
- Suppliers giving live status about products including his grievances
- Supplier contacting with skilled labor to perform the task
- Suppler contacting delivery person for transportation of products
- Customer becoming Supplier
